

Dear PreSUSY and SUSY 2010 participants,

this is the final bulletin before the start of the conference. We have added further information on the conference website regarding the following points:

1) The conference secretariat will be located in the building of the Wolfgang-Paul Hörsaal, Kreuzberg Weg 28. This is the lecture hall where the plenary sessions take place. The secretariat will be open every day, starting Aug 18th, the day before the Pre-SUSY school begins. The exact times are given on the web site.

2) A location map for all the lecture venues is now available on the website in pdf format.

3) One of the large university cafeterias (mensa) is within walking distance of the Physikalisches Institut, where the conference takes place. The mensa will have a special line for conference participants. You must pay for this lunch yourself. There are also several restaurants in nearby Poppelsdorf which serve lunch. A list is given in the conference folders.

4) The participants who have not yet paid the conference fee: Please, pay attention that we are not able to accept credit cards, ec cards or traveller checks. You can only pay cash. There are cash machines in walking distance.

5.) From now the participants who have a login by Indico can see the time schedule. From Wednesday the time schedule will be linked to our website.

6) For the parallel session speakers:

In each lecture hall we provide a lap-top (Windows) and projector. Because there is little time between the talks, please upload your talk in the Indicosystem or send the talk in pdf-format or ppt-format to Dagmar (fassbender@physik.uni-bonn.de). Please do this by until Saturday 21, 2010.

We are looking forward to seeing you in Bonn

Herbi Dreiner
